Crompton

Zincflo

LIQUID FERTILIZER

RECOMMENDED APPLICATION RATES:

Canola: 20 to 60 litres per tonne of seed.*

Cereals, Field Peas, Chick Peas, & Lentils: 4 litres per tonne of seed.

Cotton: 12 litres per tonne of seed.

Maize & Rice: 6 to 8 litres per tonne of seed.

Sorghum & Sunflower: 20 litres per tonne of seed.

For further information or application rates on other seed and *appropriate method of application on canola, please contact Crompton Specialties Pty Ltd.

METHOD OF APPLICATION:

Agitate the container thoroughly before use. Care should be taken to calibrate the machine accurately, to obtain an evenly applied correct dosage. Zincflo may be diluted 4 parts product to 2 parts water prior to application, if required. Mix thoroughly before use.

Treatment of canola seed requires mixing equipment, and the addition of water is not recommended.

COMPATIBILITY:

Zincflo is physically compatible with many agrochemical seed treatments. Please contact Crompton Specialties Pty Ltd for information.

STORAGE:

Keep in a cool, dry chemical store, out of reach of children and livestock. Protect from frost and other climatic extremes.

STORAGE OF TREATED SEED:

Seed treated with Zincflo should be drilled in season of application. Although Zincflo should not have any effect on storage life of treated seed, the subsequent germination and

performance of such seed may be adversely affected by physical storage conditions. No liability can therefore be accepted for the performance of stored, treated seed.

PRECAUTIONS:

Clean all equipment before and after use. Wear suitable protective clothing and gloves when handling Zincflo or treated seed, and when cleaning equipment.

NOTE:

For use only as described on this label or in concurrent written instructions from Crompton Specialties Pty Ltd. All other use is at the purchaser's risk.

MATERIAL SAFETY DATA SHEET:

Additional information is listed in the Material Safety Data Sheet.

CONDITIONS OF SALE:

Crompton Specialties Pty Ltd will not accept any responsibility whatsoever and howsoever arising and whether for consequential loss or otherwise in connection with the supply or use of these goods other than responsibility for the merchantable quality of the goods and such responsibilities mandatorily imposed by Statutes applicable to the sale or supply of these goods. To the extent allowed by such Statutes the liability of Crompton Specialties Pty Ltd is limited to the replacement of the goods or (at the option of Crompton Specialties Pty Ltd) the refund of the price paid and is conditional upon a claim being made in writing and where possible sufficient part of the goods to enable proper examination being returned to Crompton Specialties Pty Ltd within thirty days of delivery.
